

Think before you click

I will only use the Internet and class e-mail with an adult in the room.

I will only click on icons and links that the teacher has suggested and make sensible choices when researching for myself

If I see something I don't like on a screen, I will always tell an adult immediately.

I will only send friendly and polite messages when using e-mails, social networking sites* or mobile communication.* I will never give my personal details eg. full name, address, date of birth, contact details.

(*social networking sites and mobile communications are for outside school use allowed access in school)

E-safety agreement for pupils

Name Date.....
