

Little Jesters

Firstly I would like to say a huge thankyou to all parents I've had the opportunity to introduce myself to for giving me such a lovely welcome. I'm excited to start my Little Jesters adventure with you and I'm looking forward to getting to know you all a bit better, including your children, which so far have been a pleasure.

Swimming

During this last summer term, Little Jesters have the opportunity to make use of the swimming pool. We will be changing the day we swim every week to ensure all children get to have some fun in the pool. Please look out for posts on our blog and also on the notice board outside Little Jesters.

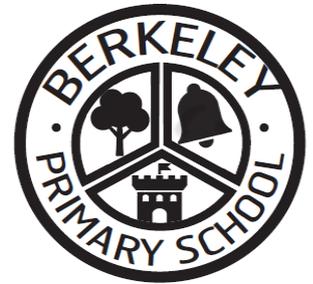

Children will need to bring a Towel, trunks/ swimming costume, suitable shoes to wear to and from the pool, eg. flip flops/crocs. Goggles and armbands are optional. If there are any parent helpers that could be an extra pair of eyes around the pool on our swim day this would be much appreciated. Just let staff know if you can help! We are all looking forward to using this amazing resource on site!

Sunny weather!

As the weather is becoming warmer please can all children bring a hat and have suncream applied before their session. We will top up during the day for children that are at Little Jesters all day. The Children love to be outdoors in the sunshine!

It has come to my attention that some children are not being collected until after the session finish time of 3pm. Session finish times are stated on both entrances to the Little Jesters building and you will have been notified of these times when your child first started attending. Any late collection of your child after 3pm will incur a charge of a hour rate. Thankyou for your understanding.

We are encouraging children to become a little more independent. For example, taking off their own jumpers and any other self-help developments. We would really appreciate your help at home with this and encourage children to do a little more for themselves. Thankyou.

Chicken Pox seems to be doing the rounds and has taken down most of our Children. If your child does have Chicken Pox, they cannot return until all of the spots have scabbed over. If you are unsure, then please speak to a member of staff or professional.

Our term finishes on the 24th July. We will return on the 4th September!

You will receive any outstanding invoices for April and May by the end of this week. From then onwards you will then receive an invoice at the end of every month.

School Leavers

This term we will be saying goodbye to our lovely and very grown up pre-school children as they start their new adventures at

BIG SCHOOL

We will be holding a **special tea party** on the 20th July, in the afternoon. Time is yet to be confirmed. Of course any pre-school children that do not attend on this day are more than welcome to come along with an adult, e.g. Mum, Dad, Grandparent etc. We're looking forward to it!
