

“Get your swim on”

To support the phenomenal work the community are currently doing for **BSQ2BSQ**, Berkeley Primary shall be helping raise funds and awareness for Meningitis Now, CJD and Sue Ryder with our very own ‘Swimathon’. During the **week commencing Monday 09th July**, the children here at Berkeley will be completing the swimming element of this years’ BSQ2BSQ Alternative Triathlon’ over the school week. Not only will this help children to understand the hard work the cyclists and runners will be putting in on July 14th - with the cyclists cycling 100 miles and the runners running a half marathon - but it will also encourage our children to get ‘their swim on’ to promote health, well-being and fitness. An added bonus will be raising some money for the three charities: promoting good citizenship and community spirit amongst our young people. A simple sponsor form is at the bottom of this letter. We are asking children to get up to three sponsors for their swimming, and **return their completed sponsor forms and donations by Monday 09th July** to their class teachers please. We can then donate our collective funds to the **BSQ2BSQ** team on Saturday July 14th July when the main event will be taking place in Berkeley on the Football field.

Timetable for swimming – please ensure all children have sun cream to be applied before and after swimming
