- Bats at the Beach by Brian Lyes

Info & Reminders

- Our topic next week is 'Nocturnal Animals' – if you have any books, resources or information at home relating to this topic, we would love to share them with the children at Circle Time. We will also be making some lovely pictures and paintings of fireworks and sharing our thoughts and feelings about the noises and sounds that they make.
- If your child is in receipt of the '30 Hours Childcare', please remember that you need to refresh your code every 3 months. The refreshed code must then be given again to the school office (it is becoming apparent that the code being given is the same). If parents do not refresh the code, then the child runs the risk of losing the place and parents will enter a grace period before falling out of eligibility. Although our staff will do their absolute best to prompt parents when their codes need refreshing, it is not up to childcare providers to remind parents to do this.
- Please keep a very close eye on ingredient labels when making packed lunches for your child - we are a '**NUT FREE**' school and we do have children in our setting with known severe allergies. We would be grateful if you could check food labels carefully to ensure that there are no traces of nuts in the foods that you provide. Particular attention should be paid to cereal bars and also to be aware that some brands of chocolate spread also contains traces of nuts. The safety and wellbeing of our children is of paramount importance to us. If in any doubt about the presence of nuts, our staff will return the item of food home. Thank you for your co-operation in this matter.
- We are sharing lots of lovely Home Learning and look forward to seeing lots more! Thank you to everyone who has shared their creations so far!
- Remember to check the Little Jesters page on the website often – this is where you can find the most up-to-date information and also read more about our activities in our blog. Current news and information will also be included on our Notice Board and white board immediately outside our front entrance.

Our topic next week is

Diary Dates

- Weds 1st Nov LJ's Parents Evening 3:30 – 6pm
