

Little Jesters

'Keeping Ourselves Healthy'

23rd April - 27th April 2018

Activities This Week

- Sorting food into what is healthy and unhealthy
- Healthy food tasting
- Discuss hygiene and hand washing – making posters for our toilet/handwashing area
- Welly walk
- Music with Nicola

Activities next week include

- Discuss feelings and looking at our facial expressions
- Funny Bones story
- Using pavement chalks and water brushes to draw skeletons outside
- Counting Games
- Vet role play

Info & Reminders

- Our topic for this term is 'Healthy Me' – We love sharing what we have been busy doing at home, so please have a look at our Home Learning Grid for ideas. You can find this on the Little Jesters page of our website: www.berkeleyprimary.org.uk
- Chicken Pox alert! Please be aware that there are several cases within the school. If your child has chicken pox, they cannot return to school until the spots have scabbed over. If in doubt, please speak to a member of staff or check with a pharmacist.
- Head Lice – a couple of parents have found evidence, so please check your child's hair regularly and treat accordingly.
- Please apply sun cream to your child **before** they come into their session. We would be grateful if you could leave a named bottle of sun cream with us, so we can re-apply if your child is staying all day. If you have not already done so, please drop in a signed note authorising Little Jesters to apply sun cream to your child. Thank you.
- Our mud kitchen needs a tidy up for a busy season ahead! Many of the baking trays and sieves have seen better days, so if you have been spring cleaning your kitchen, we would be very grateful for anything you can spare. Thank you.
- We say a very sad Goodbye to two long-standing staff members this term. Wendy, our pre-school leader is off to ventures new as she has been asked to run a brand new Nursery near her home. Wendy has worked with so many children at Berkeley, and has been outstanding in her role. Jeanette is also off to ventures new, as her business 'Having a Hoot' crafts is really taking off, and she is going to live her dream of sewing and creating her wonderful masterpieces. She can put her hand to anything, so make sure you like her facebook page for any future items you may wish to purchase. She makes bespoke designs on demand! Jeanette has been a master of all trades here at Berkeley, supporting the whole school in her many roles. She has been a huge support to Miss Robbins during her introduction as Headteacher at Berkeley, and no doubt, tears will be shed. We wish Wendy and Jeanette the very best in their future endeavours and shall miss them both a great deal. Good luck ladies!
- Remember to check the Little Jesters page on the website often – this is where you can find the most up-to-date information and also read more about our activities in our blog. Current news and information will also be included on our Notice Board and white board immediately outside our front entrance.

Diary Dates

- **Monday 21st May – Art Gallery – 3.15 – 6.00pm**
- **Wednesday 23rd May – LJ's Sports Day – AM (weather permitting)**
- **Friday 25th May – End of term**

Our topic this term is
