

English

- This term our book is 'The Borrowers' by Mary Norton. It features a family of tiny people who live secretly in the walls of an old English house and 'borrow' from the 'human beans' in order to survive. We have been getting creative and have started making our own borrowers hideouts!
- We will be looking at creating our own play scripts and performing them. Also we will be looking at character description, prediction and poetry this term!

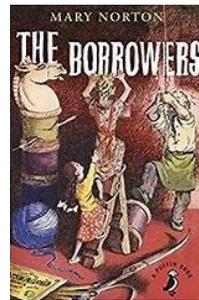

Homework Projects

- Homework will be handed out every Tuesday and will be collected every Monday. Every child will be given a maths (times table) related activity, a spelling practice activity with a given spelling rule and a reading comprehension. As always we aim to for the children to read minimum 3 times a week at home! Please don't spend hours on homework! There will be a maximum time limit allocated to the homework.

Year 5

Our Theme for Term 4 is

ASPIRATIONS

Topic

History

- To carry on with Ancient Greece; the empire, trade and education

RE

- To learn about God's plan for Jesus' life and spiritual leaders and figures within Christianity,
