Headteacher Award

Big Shout out to: Sophie and Lauren for passing their Grade 1 piano exams with flying colours! Mrs Clark-Smith is so proud of you girls and is bursting with pride. Super talented girls indeed. Well done!

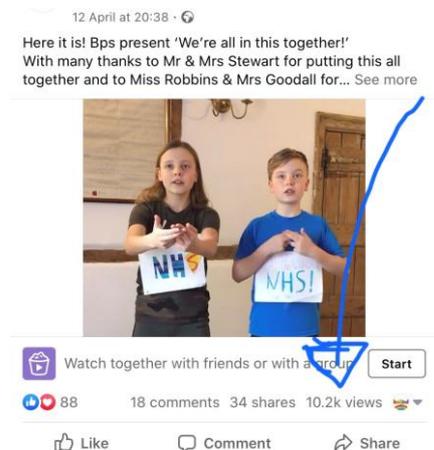

Our Fabulous Team at Little Jesters: Our fabulous Jesters team have been busy

creating activities for children to do at home, doing some online courses, planning exciting future topics, making resources, working in school on a rota with the children of critical keyworkers, and now, they are busy writing reports for parents. We also have some very exciting and wonderful news to share: Frances Berry (new name as she is now married!) and her husband are having a baby! She had her 12 week scan on Monday and baby Berry is due in October! We are all thrilled for them, and are excited to meet the tiny Berry.

Our Berkeley singalong update: Our Berkeley singalong video is claiming 'influencer' status online with 10.2k views in just over a week! It has been shared far and wide! Well done to everyone who sent in their clips. My next idea was to make a WIMBLEDON video in the same theme as the 'toilet roll challenge' you may have seen lots of about? What I would like you to do is to send a video of you catching and hitting a ball with a bat/tennis racket please. If the infants could do it from their left side and the juniors do it from their right side please, I will try and make it look like they are playing tennis together! That's the plan anyway! Please send these in by Monday 27th April to admin@berkeley.gloucs.sch.uk Thank you.

No home learning will be sent home next **Thursday 30th April** to mark the celebration of Captain Tom Moore's 100th Birthday! Show your love with an NHS appreciation day your way! Send us photos & videos to show us how you're marking the occasion and giving thanks.

Stay positive, keep smiling and cherish this time with your families.

Miss Robbins and all the team here at Berkeley Primary

Home Learning will be a little bit different next week! I think you will like it!

Your teachers will message you tomorrow!
