

If children are happy, they will achieve!

Friday 19th June 2020: Newsletter for the children

Headteacher Award

★ **Headteacher awards:** Congratulations to... **Lincoln, Maddy, Janica, Henry M, Elisia, Toby, William, Chloe D, James, Alex, Cameron, Sam W, Hayden, Ashton, Jasmine W,**

Next week our home learning grids will focus on Diversity for Diversity Week. Many things make us the same at school such as wearing school uniform, being children and living in the same town. However, there are also many things that make us different and unique from each other.

“Diversity means that there are lots of different kinds of people”.

Diversity is a good thing and should be celebrated because we can learn from each other, it makes life more interesting and we can help each other because we know different things. I hope you enjoy the activities planned by your teachers, celebrating our uniqueness and learning about diversity

CHARANGA

Since launching Yumu the online home learning platform for music from Charanga, it has been amazing to see how many of you are loving it! From learning new instruments to singing your hearts out, your enthusiasm has been great! There is a variety of work being featured on the blogs so remember to check them out to see if you can spot yourselves! There has been such wonderful feedback from your teachers about how you're getting on and all the points you are earning from completing the tasks – keep it up!

This week, the whole school will be taking part in National School Sport Week. We are holding an inter class competition with an overall winner being announced on Friday. There are four challenges to complete over the course of the week and scores will need to be sent into class teachers. Challenge 1,

Go The Distance, starts tomorrow (Saturday 20th) and will last all week. Challenge 2 (Ball Skills), challenge 3 (Target throw) and challenge 4 (Touch The Sky) will be started on Monday. Get your sports gear on, get active and get some points for your class! Good luck and may the best class win! Details will be sent to you from your class teachers.

Whilst staff have been doing everything to ensure you are all happy, contacting you daily with work, messages and feedback, responding to your emails, posting your work, giving out badges, reward points and nominating Headteacher awards, they have also been dealing with their own families and lives during this very strange time. Sometimes adults have worries too, and it is our job to work as a team together, to keep everyone's spirits up and ensure the whole team feel just as happy and secure with all the changes over the last few weeks. We feel very proud of the incredible teamwork here at BPS, and because of this, some members of staff nominated our school for an award. BPS are all delighted to be awarded this GOLD AWARD which recognises excellent teamwork and staff morale and wellbeing through a very tricky time for everyone. "If **people** are happy, they will achieve!" You will recognise a word change in this from our motto for you all. Happiness and kindness are infectious...and we encourage you all to spread that! 😊

Have a happy weekend!
