

BERKELEY PRIMARY SCHOOL

If children are happy, they will achieve!

Friday 10th July 2020

★ **Headteacher awards:** Congratulations to...

Mathilda, Owen, Sam, Phoebe, Scarlett, Frances, Jessica, Ethan, Marlin, Rex, Jacob, Leo, Maisie and Lottie.

Donations: Parents & children, we need your help please: The government have not increased any funding to schools for the increasing requirements we have to put in place to help keep everyone safe. So, anything anyone can donate will mean that we can direct our funds to improve the educational experiences for the children rather than on tissues. We would **really appreciate** if you could donate some of the following items to the school in preparation for the new term please. **Boxes of Tissues and/or Liquid hand soap**

We will put a **donation box by the school entrance from Monday** for you to donate, and this will also be available from the start of term. Thank you so much in advance for your kindness and generosity. We have also created an Amazon wish list which includes these items and more, if you would like to contribute we would be **EXTREMELY grateful**. <https://amzn.eu/81Yqcec>

School reports: For all children who are not currently in school, or visiting for face to face visits, teachers will be hand-delivering your school reports today. Inside, there is also a letter from your new teachers so you can get to know them a little better before September. Also, there is a 'Leaving Lockdown' form enclosed. We would like you to please fill these in, and post these to your new teachers before the end of term so they can get things ready for you when we come back. Tell us anything we need to know to help you settle back in. It has been a long time for some of you. Please address these to your new teacher and send them to **Berkeley Primary School, Marybrook Street, Berkeley, GL13 9SL**. You will need a stamp and to post these in a postbox please as only our postman delivers to the school door at the moment. Thank you! ☺

Reopening: You probably know that the government have said all children can come back to school in September! Yay! This is GREAT news! Staff are busy making preparations, and school will be a little bit different to what you're used to, but we will make sure it's fun and exciting for you all! We will send all the details out to your parents in the next few weeks, and we will get the go ahead on August 11th from the Prime Minister hopefully!

So proud of you all through all of this!

Miss Robbins and all the team here at Berkeley Primary

Answers to last week's quiz are here. How many did you guess correctly?
