What a strange year we have had children! We are all so very proud of you, as always. We have seen you continue to shine from your front rooms and back gardens! You have become experts at emailing, and have been so good at communicating with your teachers throughout school closures. You have coped with a time in your lives that no one could have expected, and you have shown how resilient and amazing you all are! Thank you for all the effort you have put in to your home learning. We have loved seeing all your work and your smiling faces, and sharing these even further on our social media pages too. Don't worry about any gaps you might have and catching up, as everyone is in the same boat. Your teachers have already planned how to help you with your learning and get you to where you need to be. Don't forget to post your Leaving Lockdown forms back to your teachers, as this will help them to help you even more.

School is not the same without the most important thing...YOU! We cannot wait to see you all in September. Everyone here is working hard to get your classrooms ready, and make sure it is safe for everyone. Your new teachers are ready...hope you are too! Bring your smiles and spread the happy!

Have a happy, healthy summer. See you all on Thursday 3rd September. ☺

Miss Robbins and all the team here at Berkeley Primary

WELL DONE TO ALL OUR FAMILIES AT BPS

YOU DID IT!
