

OUR CLASS TEXT

Can Eliot's new powerful friends help bring him some good luck and save the day?

We will be starting off by looking at setting descriptions, poetry and fictional narratives.

Year FIVE

RV THERE YET?

Sikhism - this term we will be looking at the levels of commitment that a Sikh shows towards their religion.

For MFL this term our focus in Spanish is to be able to read and understand main points of short written passages and take part in conversations to seek and give information about ourselves and others.

In Geography, we will investigate different cities and their physical and human characteristics. From there we can compare them to places a little closer to home.

This term's history will focus on seeking and analysing evidence about the past and identifying how reliable they are. We will use Ancient Greece to explore these skills.

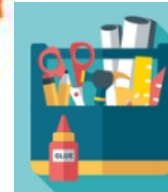

SCIENCE

This term's Science is Space. We will learn about the relationship between the earth, moon and sun and other planets in our solar system.

PE this term focuses on handball. We will develop catching, passing and shooting skills while working individually and collaboratively to attack and defend.

For Art this term we will be using linear approaches to add effects to Hundertwasser's images and work in the negative to create shadows.

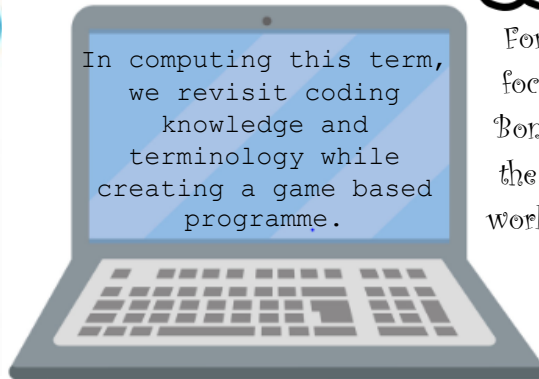

For DT this term will be designing camper vans with the user in mind after evaluating existing designs to improve on.

PSHE: Being me in my world

We will be exploring our goals, rights and responsibilities and how our behaviours can impact others.

In computing this term, we revisit coding knowledge and terminology while creating a game based programme.

CHARANGA

For music this term our song focus is Living on a Prayer by Bon Jovi. We will be analysing the music, lyrical meaning and working towards a performance of the song.
