

# OUR CLASS TEXT

Bradley lies, fights, has "serious behaviour problems" and no one likes him. Can he change his ways with help from the new school counsellor or is he too afraid to believe in himself and try?

Year FIVE

# RV THERE YET?

# SPANISH

For MFL this term our focus in Spanish is to be able to read and speak confidently and clearly within the class. We will be looking at different animals and continue to talk about ourselves in Spanish.

In Geography, we will use navigation skills to communicate knowledge. This will involve map reading, compass skills and using ordnance survey symbols and keys.

Christianity - this term we will be looking at how stories can be open to interpretation by comparing versions of the Christmas story.

This term's History will be myth busting about Ancient Greece. We will form questions about Atlantis and understand how knowledge of the past is constructed.

This term's Science is investigating forces. We will be learning about various forces and their impact on the world around us.

For Art this term we will be learning different printing techniques and look at work from printmakers such as Michael Rothenstein.

For DT this term will be building RVs after exploring and designing them last term. This will involve cutting and sticking with precision.

PE this term focuses on tag rugby.

Building on last term's skills, we will continue to develop attack and defence individually and as a team.

PSHE:

This term we are celebrating differences. We learn about bullying, racism and understand that differences can cause conflict.

In computing this term, we are focusing on online safety and presenting information.

# CHARANGA

For music this term we build on our rock topic last term and start to build a performance to perform at the end of term.

## Maths
