

# OUR CLASS TEXT

We will be exploring the books of Eric Carle this term.

Through them, we will further explore our animal topic and use inspiration for our own writing and artwork.

# Year One

We will be starting to look at writing in first person through diaries and letters about our animal discoveries. We will finish the term exploring poetry and creating our own poems relating to our senses.

In Geography we will be exploring the world's continents and oceans and identifying where we are from street to planet. We will also be learning key geographical vocabulary to be able to describe key geographical features across the globe.

Christianity – We are learning to identify when it is easy and difficult to show friendship and explore when Jesus may have found it difficult.

We will be learning about David Attenborough and other key individuals surrounding the identification and conservation of animals. We will also be looking at key animals that played a part in different areas of history from Dolly the Sheep (the first animal clone) to Cher Ami (the pigeon that saved the Lost Battalion).

This term's Science is identifying different kind of animals. We will be looking at animal features and finding different ways to group them.

In DT, we will be preparing for the RSPB bird watch by using our measuring and food prep skills to create bird feeders to attract a range of British birds to our school.

For Art this term we will be focusing on the collages in our key texts by Eric Carle and creating our own collaged animals.

PE this term will be focused on gymnastics. Year 1 will be exploring different balances and learning how to hold balances correctly and safely.

PSHE: Dreams and Goals  
We will be making goals for ourselves, exploring how it feels to achieve our goals and identifying what we can do when things get challenging.

In computing this term we are going to be looking at coding using plugged and un-plugged activities.

# CHARANGA

For music this term we will be exploring different ways we can use our voices and bodies to create rhythm.

# Maths
