

*"If Children are happy,  
they will achieve!"*

# LOCKDOWN SUBJECT SNAPSHOT

## Year 3

We have been learning about Spanish families. Family is an important part of Spanish culture and we had a virtual lesson on the verbs tener (to have) and llamar (to be called). We then listened to (and repeated) the words for various members of the family, remembering to use either masculine and feminine nouns.

Former international football star and Match of the Day presenter Gary Lineker teaches a superstar Spanish class. Fluent from his days playing for FC Barcelona, Gary shows off his golden boots, reveals how he learnt the language and makes counting to ten in Spanish as easy as uno, dos, tres!

## Year 4...

We have started looking at the verb "I can," and using basic Spanish to explain things "I can." We started to write words down correctly too.

## Year 5 and Year 6

- We have been going back to basics to help us consolidate our knowledge when it comes to understanding unfamiliar words in a longer text. We have been practising
- reading and understanding main points and some detail in short written texts. We have also written a few short sentences using familiar expression around basic conversational language – How are you?, whilst developing our responses.
- We have also joined some live lessons with a celebrity supply teacher – Gary Lineker!
