Welcome back to Term 5!

It has been lovely to see all of our EYFS children back in school after our Easter holidays. We have loved hearing about all of the lovely things the children did during their two week break. The children have come back refreshed and ready to play and learn. We have also been very lucky to have had some beautiful sunny days in school too. We are looking forward to lots of outdoor fun in the Summer term.

## Calendar Dates

Monday 3rd May  
Bank Holiday  
Friday 28th May  
Term 5 Ends  
Monday 7th June  
Term 6 Starts  
Friday 16th July  
Term 6 Ends

## Reception Highlights

We have been very busy sorting out our garden area. We have pulled weeds out of planters and filled up the planters with soil. We are very lucky to have been donated lots of plants for our garden and have got to

work planting them in our outdoor space. We can't wait to watch them grow!

We have started the term reading

Jack and the Beanstalk and this led us to find out about castles. We have been using different materials in our provision to make castles. We have enjoyed re-telling the story and playing in our giant's castle role play area.

## Little Jesters Highlights

Little Jesters have settled back in really well and have been telling us all about their yummy chocolate and days out over the Easter! We have been making the most of the sunshine and have been adding lots of exciting activities to our

outdoor area. We have really enjoyed using our mud kitchen. This term we have changed our book corner into a woodland and we will be looking at different stories and characters from the woods. Owl babies was our first story this term, we made our own owls and created nests using different materials that we found. We are now reading The Hungry Caterpillar and will be taking part in lots of fun activities related to this book.

## Reception Class—Sun Cream

Please apply sun cream to your child before they come to school. If you are sending sun cream into school please make sure this is named. Your child needs to be able to apply this themselves. We recommend purchasing a roll on bottle if possible. Thank you.
