

OUR CLASS TEXT

We will be exploring the books of Eric Carle this term.

Through them, we will further explore our animal topic and use inspiration for our own writing and artwork.

Year One

Christianity – We are learning re-tell the Christian Creation story and to explore how this influences how Christians behave towards nature and the environment.

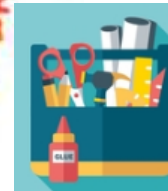

We will be writing lists, labels and captions to accompany images relating to our theme. We will also be creating invitations.

In Geography we will be exploring the world's continents and oceans and identifying where we are, from street to planet. We will also be learning key geographical vocabulary to be able to describe key geographical features across the globe.

We will be learning about key animals that played a part in different areas of history from Dolly the Sheep (the first animal clone) to Cheri Ami (the pigeon that saved the Lost Battalion).

This term's Science is identifying different animals and their features. How are they different from humans?

In DT, we will be diagnosing problems with devices powered by batteries including low battery/water damage. How can we fix these problems?

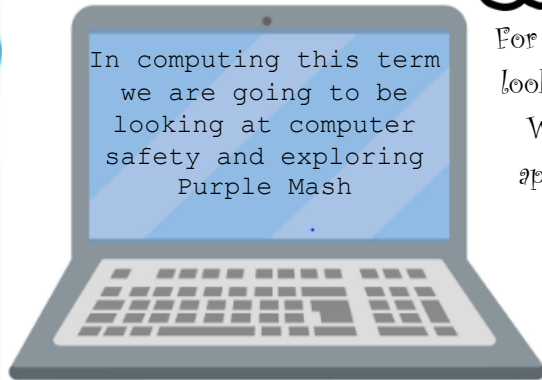

PE this term will begin with water confidence and move into dance. We will be using animals as inspiration for different movements.

PSHE: Being Me in This World

I can explain why my class is a safe and happy place and identify how I and others can make my class safe and happy.

In computing this term we are going to be looking at computer safety and exploring Purple Mash

CHARANGA

For music this term we will be looking at the song Hey You! We will sing and learn to appraise old style Hip-Hop.
