

Year 3 trip – Stonehenge

Year 3 had an absolutely fantastic time in Wiltshire this month. As part of their Stone Age theme, they took a trip to see the momentous monuments and monoliths of Stonehenge. Og must have snuck onto the bus as he paid them a surprise visit. (Og the caveman is closely related to Mr Kavanagh we think!) Everyone loved it and they are currently writing a recount of their brilliant day. They even recreated Stonehenge in biscuits with a fabulous sculpture!
