

"If Children are happy,  
they will achieve!"

# SUBJECT SNAPSHOT

## Reception

Have been looking for curiosities linking to their book of bone girl. Linking to the story of Mary Anning and her magnificent discoveries.

## Year 1

Have been looking at buildings at famous castles and designing their own for Art. Linking to exploratory work to think about why castles were designed the way they were.

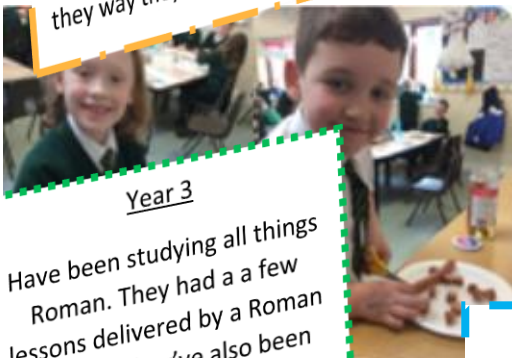

## Year 2

Have been looking at the History of Australia and why people would move there in the past. The children looked at different stories from the past and discovered that some people were criminals!

## Year 3

Have been studying all things Roman. They had a few lessons delivered by a Roman General. They've also been looking at meal times during the Roman era and cooking how the Romans cooked.

## Year 4

Have spent the term learning all things Egyptian. We spent some time learning the burial rituals of the Ancient Egyptians and why the ceremonies were so important for Egyptian, especially the Pharaohs and the after-life.

## Year 6

Have been looking at the Tudor period. Looking at crime and punishment in Tudor times, why Henry VIII broke away from Rome and what life was like for children in Tudor times. The children were incredibly shocked to see how hard it was children. Particularly in school!

## Year 5

Have been investigating the Mayans and learning all about the gruesome sacrifices the Mayans gave to their Gods. The children have also had the opportunity to make Mayan style head dresses where they used their Art and DT skills to create their own version.
